1) HEALTH AWARENESS CAMPAIGN “ENDOMETRIOSIS”

This project was started on 28th July 2019. Sociwind Foundation are taking an initiative to educate people about “Endometriosis” in order to increase their knowledge about this disease. As we know, Endometriosis is an often painful disorder in which tissue that normally lines the inside uterus — the endometrium — grows outside the uterus. It is important for the people to understand, how serious is this disease can be. Sociwind Foundation has started conducting this campaign, in New Delhi to tell people about the myths and misconceptions about this disease. This disease has NO CURE. There is limited specialization available and very limited research has been done on this topic. SOCIWIND FOUNDATION, educating people in India through Community Meetings, Universities Awareness Programs, School Awareness Programs (taking Secondary and Senior Secondary Classes) with permission of Directorate of Education, Parent’s Meetings, Teacher’s Meetings, and other Stakeholder’s Meetings about “Endometriosis”.

a) School Awareness Programs

In this, initiative Sociwind Foundation, briefing school students studying in Secondary and Senior Secondary Classes about Endometriosis.

b) University Awareness Program

In this, initiative Sociwind Foundation, creating awareness about Endometriosis amongst University Students.

c) Discussion with Teachers

In-depth discussion with teachers on “Endometriosis” at Delhi Government Sr. Sec. School.

d) Community Sessions

Creating awareness through Community Programs on Endometriosis

e) Meeting Honorable Health Minister

Meeting Honorable Health Minister Dr. Harshvardhan ji regarding Endometriosis project

2) BE CLEAN, BE HEALTHY!!

This project was started on 1st Aug 2019. The need of this project in MCD schools & slums of Delhi is to increase children's & public knowledge about the benefits of personal hygiene and to foster their healthy development. As we know, every day, we come into contact with millions of outside germs and viruses. They can linger on our body, and in some cases, they may make us sick. Personal hygiene practices can help us and the people around us prevent illnesses.

BE CLEAN, BE HEALTHY!!

3) AK KADAM, SHIKSHA KI AUR !! (एक कदम, शिक्षा की और !!)

This project was started on 5th Aug 2019. This project started in MCD schools of Delhi in order to increase children's knowledge about the benefits of Education and their importance in their all-round development. As we know, education is the only valuable asset humans can achieve. Education means acquiring various skills in diverse fields that are vital to our life and very existence.

AK KADAM, SHIKSHA KI AUR !! (एक कदम, शिक्षा की और !!)

4) HEALTHY SCHOOLS, HEALTHY CHILDREN !! (स्वस्थ विद्यालय, स्वस्थ बच्चे!!)

This project was started on 5th Aug 2019. The motive behind starting this project in MCD schools of Delhi was to increase children's knowledge about the benefits of Moral Values and to foster their physical, mental, social and intellectual development. As we know, Moral education influence how students think, feel, and act regarding issues of right and wrong. So, this project will not only teach students about values but make students understand about the importance of these values, how to imbibe & practice it in their daily routine work. How to keep themselves motivated in practicing these essential units in their life and give a new meaning to it.

HEALTHY SCHOOLS, HEALTHY CHILDREN !! (स्वस्थ विद्यालय, स्वस्थ बच्चे!!)

5) INDIA FIGHTS CORONA

This project was started on 5th March 2020. This initiative started to provide help in challenging time of Covid-19 to the people. With this initiative we provide food to needy people especially poor, elderly, children, migrant workers, homeless, and people without job in lockdown. With aim of fighting corona we make aware public, through creative means, about keeping proper physical distance, and taking care about all other precautions especially where people are gathering frequently like Banks, ATMs, Market place, food camps, night shelters, outside factories etc. We also make people aware about Arogya Setu App and help them download it and use its features.
